

## MASKED MEN ROB BINGHAM SALOON

Combination Bar and Gambling Establishment Held Up to the Extent of \$500.

(Special to The Herald.)  
Bingham, May 21.—Two masked men held up the Combination bar shortly after midnight and cleaned out the bank rolls of the bar layout and roulette wheel to the extent of \$500. The robbers entered the place quietly and suddenly flashed their guns with the command "Hands up!" Fifteen persons in the saloon complied promptly and the robbers swiftly relieved the gamekeepers of their available cash. They backed out of the place, keeping the crowd covered, and are supposed to have gone up the canyon. One wore a yellow coat and the other had on dark clothes. Deputies are on their trail.

A private safe may be rented in the fire and burglar proof vault of the Salt Lake Security & Trust Co., 32 up Main street, \$2.00 per year and upwards.

### ROCK SPRINGS NOTES.

Rock Springs, Wyo., May 20.—The board of education of district No. 4 reorganized as follows at their last meeting: Soren Larson, director; Charles W. Crofts, clerk; Frank Kerschnick, treasurer. Lewis Tidball was reappointed superintendent of Rock Springs schools and all of the old corps of teachers were re-engaged, except the Misses Syfert, Davis and Walters, who have other plans for next year. Patrons of the schools are sorry to lose these three popular and capable teachers. Miss Agnes Anderson of this city and Miss Bille of Laramie were appointed to fill two of the vacancies.

Rock Springs friends of John Morrison of Kemmerer are sorry to hear that he has become insane and been committed to the asylum at Evanston. Mr. Morrison was a resident here for twenty years before going to Utah county.

Shapiro & Horne of Salt Lake have purchased the Chicago Bazaar from A. Rosen. Mr. Horne becomes resident manager of the store and has leased the Tyler home on No. 1 hill as a residence. A. Rosen has gone to Kansas, where he recently inherited property.

Boyer Bros. have purchased the Taylor ranches at Antelope, south of Bitter Creek, from Robert Taylor.

George A. Murphy has gone to Scofield.

### A Dainty Kitchen Sink.

The kitchen sink can be kept as clean and dainty as a tea-cup—and why should it not be? A sink-and-pan housewife insists that her sink shall be as clean as the china washed in it.

The problem is simple; merely rinse the sink thoroughly with warm water and Gold Dust, after each dish-washing. Make this suds in the dish-pan, and thus remove the last particle of grease from that much-used utensil.

Gold Dust has the peculiar quality of dissolving and "cutting" grease. It is, therefore, valuable, not only for keeping the sink and pans sweet and clean, but for keeping the sink "trap" and pipes clear.

These will never become clogged with grease if Gold Dust and plenty of hot water be used for washing the sink each morning and evening.

Well, the sun pretty nearly put us out of business the last day or two. We'll stand it, though, as long as everybody is satisfied. Think over that Black Hand matter.

## The Fun

Of scratching compensates for the itch. That's what somebody somewhere says. WE say the fun of wearing a KOH-I-NOOR SUIT compensates for most everything. Just buy one of these suits and see for yourself. It won't cost you much. Considerably less than you would believe, considering the quality. If you were to price it in proportion to the satisfaction you will get out of it you would say it was worth TEN THOUSAND DOLLARS.

**Geo. Mullett & Company**  
**KOH-I-NOOR CLOTHES**  
41-45 West Second South Street

Utah, to become acting superintendent of the Union Pacific Coal company's mine there.

W. G. De Cote of the Eden Irrigation company came in from Eden Valley on Tuesday and reports everything looking prosperous there. The work of the company on irrigation ditches is being pushed rapidly, and the large flume is completed. This assures a supply of water for irrigation.

A number of settlers arrived in Rock Springs on Wednesday morning, with several cars of household goods, farming implements and stock, and have gone out to Eden. One large steam traction plow is in use in the valley, as well as three gasoline motor plowing outfits, each with a capacity of clearing and plowing twenty-five to thirty acres per day. Tents and houses are springing up all over the valley, giving an air of industry and prosperity to what was lately a very sparsely settled district.

Mrs. Leckie and her father, Mr. Spicer, and Miss Mary Leckie stopped at the Eden hotel on Sunday on the way out to their ranch at Leckie.

The county commissioners have accepted the bid of the Smith-James Lumber company for a bridge over Kilpatrick creek, north of Rock Springs, the same to be completed within thirty days. The bridge was awarded the contract for grading and constructing something over a mile of road on a new highway, and adjacent to Kilpatrick creek.

Dr. E. S. Murray has gone to Omaha. Dr. and Mrs. T. W. Boyer left on Tuesday to make their home in Salt Lake, where Mr. Boyer will be cashier of the Continental National bank. They shipped their riding horses and household furniture the same day, having leased the Daggert house on Brigham street for their residence.

The Big Piney Telephone company is rushing construction on their line to the north to connect with the Kemmerer-Lander line. The poles are placed from Rock Springs north to fourteen-mile ranch, and it is expected that the line will reach Eden Valley hotel, where the central exchange will be located, in about twenty days. Within six weeks communication will be established with Boulder, where the direct connection with Lander will be made.

Clinton Conrad has gone to Superior to take a position.

The little son of Mr. and Mrs. James McNeil underwent a serious operation at the hospital on Tuesday and is still in a critical condition.

Mr. and Mrs. Dick Lewis have returned to make their home here after five years' absence in Canada.

The board of county commissioners has advertised for bids for two timber bridges, each with a span of thirty-five feet, on the public highway near Point of Rocks. The high school commencement exercises will take place Friday evening, May 23, when Professor Merida of the University of Wyoming will deliver an address. Two graduates, Miss Mary Conner and Clifford Noblit, will receive their diplomas at that time.

The pupils of the high school are preparing the farce, "A Scrap of Paper," which they will present on Friday evening, May 21. The following young people are included in the cast: Clifford Noblit, Tobey Reavill, Thomas Griffiths, Claude Mary Connor, Marie Freeman, Bertha White, Janie Rose, Ruth Wassung, Reba Oliver, Martha Anderson, Grace Larson.

The graduating exercises of the eighth grade of the city schools will be held at the city hall next Monday evening. Musical numbers will be contributed to the program by Melvin Lewis and Grace Park, and Dr. D. E. Phillips of Deaver will deliver an address.

On Thursday the Railroad Men's club house, built by the Union Pacific railroad at Greer River, was formally opened under the management of C. F. Fisher. The club building, which is designed to meet the needs of transient railroad men, will cost \$35,000 when the furniture and fixtures are all installed. In the basement there is a finely equipped gymnasium, shower baths and a big plunge. On the main floor is the office, library, writing room and the billiard and pool room. On the second floor there are thirty-six bedrooms and several bathrooms. The club will be conducted on a strictly temperance plan. Nominal charges for lodgings and other privileges will prevail.

### BUILDING BREVITIES.

From present indications a number of homes will be built in Southgate park, Twelfth South and State street, this season. This property is being sold by Kimball & Richards, and the lots are selling rapidly.

A. N. Humphries reports the sale of six lots in Sunnyside addition. Two lots were sold to J. Conley, two to Harold Daggett and two to W. J. Camomille. Mr. Camomille is having material for a home hauled to the property and the other two purchasers intend to erect homes on the addition before long.

Watkins & Birch are the architects of a bungalow to be erected by W. N. Evans on Second avenue, between R and S streets. The building will cost about \$6,000.

The contract for the building of a \$4,000 home for Professor C. F. Stayner on First avenue between T and U streets has been let to A. J. Jenkins.

Chicago, May 20.—State's Attorney Wayman today finished the presentation of direct testimony against "Slim" Madden and others charged with conspiracy to extort money in the settlement of strikes.

Witnesses told of a strike which was settled for \$1,050 and of another that cost \$200.

## PAINFUL TREATMENT OF SCIATICA

Left Patient in Worse Condition Than Before—When Blood Was Restored Health Followed.

Of the many forms which rheumatism takes, that which is popularly known as sciatic rheumatism probably tortures its victim more than any other. That Dr. Williams' Pink Pills have cured this stubborn as well as painful trouble is a fact proved by the following statement, and no sufferer who reads this can afford to let anything stand in the way of trying this treatment.

The cure of Mr. George H. Owen, of No. 44 Lincoln Street, South Framingham, Mass., is a convincing proof of the superiority of the tonic treatment with Dr. Williams' Pink Pills over the usual medical treatments for sciatica. Mr. Owen is an engineer with the Dennison Mfg. Co., where he has been employed for over 36 years. Of his cure, Mr. Owen says:

"Through overwork and a bad cold, which settled in my back, I was attacked by sciatica in my right leg several years ago. I was bent over with pain which was continually present. It grew so much worse that the doctor recommended a blistering plaster. Then my leg was lanced and the pain relieved by injections of morphine. After all this treatment for the sciatica I was left in a run-down condition and my doctor failed to build up my strength. 'My blood was in poor shape and I had no appetite. I was restless at night. There was a constant, dull ache across my back. During my sickness I was often confined to my bed and lost in weight from 165 pounds to 115 pounds. 'I was in despair of ever getting better but fortunately Dr. Williams' Pink Pills were recommended to me by some friends. The pills soon had my blood in good condition but, I took them steadily until I was fully restored to health. I am very grateful for the benefit Dr. Williams' Pink Pills gave me and always recommend them.'"

If you are suffering from sciatica and the treatment you are taking is not relieving you, or if you are actually getting worse while taking other treatment, then do not delay but give Dr. Williams' Pink Pills a thorough trial. The remedy that cures others will cure you. Dr. Williams' Pink Pills are sold by all druggists, or will be mailed, post-paid, on receipt of price, 50 cents per box; six boxes for \$2.50, by the Dr. Williams Medicine Company, Schenectady, N. Y.

## NEVADA HOTEL IS BURNED

Guests Glad to Escape From Death-Trap With Life—Many Narrow Escapes.

Reno, Nev., May 20.—A dozen occupants of the Clairville hotel at Clairville, Nev., had narrow escapes from being burned to death, and many of them lost all their personal effects when the three-story hotel, a frame structure, burned like tinder, and several suffered slight burns in getting out of the burning building.

In a fire four years ago, on the same building, five persons were burned to death. The place is said to have been a boarding place of Mark Twain. As a result of the fire James Hallaway is a hero. He carried two unconscious women from the burning building, braving a blazing stairway to reach them, and himself sustaining severe burns about the head and hands. The loss to the building will aggregate \$3,000. Eight hundred dollars in greenbacks, kept in a till in the hotel office, was destroyed.

A private safe may be rented in the fire and burglar proof vault of the Salt Lake Security & Trust Co., 32 up Main street, \$2.00 per year and upwards.

### WAYLAIED AND ROBBED.

Police Arrest One Man Who Is Identified by Victim.

Pinned to the ground by two powerful Mexicans, Carlos de Lebadero lay helpless while a third member of a gang of thugs rifled his pockets and robbed him of a \$40 gold watch and other belongings early yesterday morning.

Charged with being one of the thieves Frank Martore was arrested by Patrolman Kase, and later identified by the victim. On a description furnished by Lebadero, the suspect was found on the street by the policeman, who followed him into a commercial street pawnshop where he disposed of the watch. It was later identified by Lebadero as the timepiece taken from him. The prisoner was also confronted by the pawnbroker, but the latter was not positive that he was the man who offered the watch for pawn.

The robbery happened at an early hour in the morning in an alley leading from State street, near East Second South street. Lebadero had been drinking heavily and fell on his way to the thieves when they accosted him on the street and led him to the alley. He says he will be able to identify the two others, for whom the police are now searching. Martore is being held in the city jail on the charge of larceny.
